1. Aims and scope

We are committed to meeting our obligations with regards to school attendance by:

- Ensuring every pupil has access to full-time education to which they are entitled
- Acting early to address patterns of absence
- Supporting parents/carers and pupils who are concerned about the return to school due to coronavirus

This addendum applies from the start of the autumn term 2020 until the end of the 2020/21 academic year. It sets out changes to our normal attendance policy, and should be read in conjunction with that policy. Unless covered here, our normal attendance policy continues to apply.

We may need to amend or add to this addendum as circumstances or official guidance changes. We will communicate any changes to staff, parents and pupils.

2. Guidance and definitions

This policy meets the requirements of the Department for Education's (DfE's) guidance on school attendance during the 2020/21 academic year.

In section 4.2 of this addendum, where we refer to 'close contact', this means:

- Direct close contacts: face-to-face contact with an infected individual for any length of time, within 1 metre, including being coughed on, a face-to-face conversation, or unprotected physical contact (skin-to-skin)
- Proximity contacts: extended close contact (within 1 to 2 metres for more than 15 minutes) with an infected individual
- Travelling in a small vehicle, like a car, with an infected person

This definition is taken from the DfE's guidance on full reopening for schools.

3. Attendance expectations

It is mandatory for all pupils of compulsory school age to attend school unless:

- They have been granted an authorised absence by the school in line with our normal attendance policy
- They cannot attend school due to specific circumstances related to coronavirus (see section 4, below)

4. Where 'non-attendance in relation to coronavirus' applies

Absences are only authorised in the following circumstances:

- In accordance with guidance from Public Health England and/or the Department of Health and Social Care relating to the incidence of coronavirus or its transmission

- In accordance with current Government legislation or statutory directions relating to the incidence of transmission of coronavirus

4.1 Pupil develops symptoms or lives with someone who does

The pupil's parent/carer must notify the school on the first day that their child needs to self-isolate. The pupil will stay at home until they or the symptomatic person they live with receives their coronavirus test results.

If the pupil's test result is negative: the pupil will return to school when they feel well and no longer have symptoms similar to coronavirus. They should continue to stay at home if they remain unwell (i.e. with a different illness).

If the person the pupil lives with tests negative: the pupil will stop self-isolating and return to school

4.2 Pupil or a 'close contact' of theirs receives a positive test result

The pupil's parent/carer must notify the school about the positive test result as soon as possible. Please call the school on: **0208 204 5221**

Pupils who test positive must self-isolate for at least 10 days from the positive test result, and must only return to school when they no longer have symptoms (other than a cough or a loss of sense of smell or taste).

If a member of the pupil's household or a 'close contact' tests positive, the pupil must self-isolate for 14 days. The pupil must do this from when the member of their household receives a positive test result, or the day the pupil last met with the 'close contact' who received the positive result.

See the definition for 'close contact' in section 2 of this addendum.

4.3. Pupil has to quarantine after travel abroad

The parent/carer must notify the school if their child has to quarantine after travel to a country that is not on the government's exemptions list.

The pupil must quarantine for 14 days on their arrival to the UK and return to school thereafter.

4.4 Pupil is required to shield

The parent/carer will notify the school if they are advised by the government to stay at home and will provide proof of their shielding letter by sending a scan copy to: admin@rgjs.brent.sch.uk or posting a photocopy to the school address at: Admin - Roe Green Junior School, Princes Avenue, Kingsbury. NW9 9JL

Additional measures will be taken to ease any concerns about return to school according to individual's case needs.

4.5 Pupil is required to shield during a local lockdown

In the event of a local lockdown pupils should stay at home until the shielding measure in the local area are paused. Attendance registration will be according to DfE guidelines.

4.6 Remote learning provision

If a pupil is not attending school because of circumstances related to coronavirus, but where the pupil is not ill, the school will direct them towards year specific online resources on the school website.

- Our approach and expectations regarding remote education are set out in our remote learning policy

5. Recording attendance

We will take our attendance register at the start of the first session of each school day and once during the second session. It will mark whether every pupil is:

- Present
- Attending an approved off-site educational activity
- Absent
- Unable to attend due to 'exceptional circumstances' (as defined in our normal attendance policy)
- Unable to attend for reasons related to coronavirus (see Appendix 1 for the relevant absence codes and when we will use them)

Pupils must arrive in school at their designated time slot on each school day.

The register for the first session will be taken at:

- 8:40 for Year 3 and Year 6 and at 8:55 for Year 4 and Year 5

The register for the second session will be taken at:

- 1:10 for Year 3 and Year 6 and 1:25 for Year 4 and Year 5

6. Following up absence

Where any child we expect to attend school does not attend, or stops attending, we will:

- Phone home on the first day of absence to follow up with their parent or carer. Where absence continues, the school office will call the parent or carer after 3 days absence to request reasons for absence
- When a child who has a child protection plan, child in need plan is absent from school, their social worker will be notified
- If a pupil does not attend because they, and/or their parent/carer are concerned about returning to school because of coronavirus, every attempt will be made to reassure parents and carers. The school will explain the protective measures in place to provide as risk free an environment as is possible and direct the parents to the school risk assessment published on the school website.

6.1 Legal sanctions

Normal rule on legal sanctions will apply, however compassionate consideration will be given to individual family circumstances.

7. Monitoring arrangements

This policy will be reviewed as guidance from the LA or Department for Education is updated by the Head teacher and Attendance Officer. At every review, it will be approved by the governing board.
