6R

The best London borough, that's what Brent is,
We are a happy community
We listen and care, and we always share,
Family, friends and neighbours in unity.

From North Pole to South Pole, East to West,
We come from countries near and far
Meeting on roads, buses and trains
From England, India, Turkey, Romania.

We come from Kingsbury, Colindale, Edgware
We live in houses, flats and more.
NW9 to HA9
We live near libraries, parks and stores.

We are going on to success,
Jobs we love, colleges, schools,
Travelling abroad and seeing new places,
Living for fun, there are no rules!
