

## Spaghetti Tower Challenge

Task: To create the tallest tower that can support one whole marshmallow at the top.

# Supplies

20 pieces  
of  
spaghetti

Scissors

1 metre of  
tape

1 marshmallow

1 metre of  
string

- No extra supplies are allowed.
- You do not need to use all of the supplies.
- The tower must support the whole marshmallow.
- The tower must stand on its own to be measured.
